	On next visit to the machine
x	FYI only

REASON FOR THE REPLACEMENT SOLUTION

Due to the procurement problems of raw materials at the supplier, a Schaeerer replacement solution for the <Hose adapter Plug & Clean> is temporarily used in the ongoing SKYE series production. This temporary solution was tested in the field test.

The changeover and use will take place from calendar week 45/2022.

Until now

Hose adapter Plug & Clean (Item number 100480)
