

T.I. no.: 2023-14 Updated: 20.09.2023	Topic: Introduction of "Brewing Unit" spare parts set
-------------------------------------------------	--------------------------------------------------------------

Date: 28.06.2023	Priority	Need for action
Affected machines: SCS/SOUL/SKYE	High	As soon as possible
From serial number: -	Medium	On next visit to the machine
As of date: Immediately	X Low	X FYI only

GENERAL

Today, we wish to inform you about a change of material for the "brown" brewing unit, which affects the supply of spare parts. The plastic material that has been used to date is no longer available from the supplier, and will be replaced by a different coloured plastic material.

For this reason, a new spare parts set has been introduced, and this new set must be used for both generations of the brewing unit.

Solution spare parts set 33.4759.2000

With immediate effect, only the "Spare parts set brewing cylinder br cpl." spare parts set is allowed to be used as a spare parts solution in case of repair.

- Article number: 33.4759.2000
- Note: The restrictor is not a separate part in this spare parts set.
