PREREQUISITES FOR INSTALLATION

- Note the following prerequisites in terms of the machine serial number and software version.

Machine serial number

Machine type: Schaerer Coffee Skye

Up to serial number: 2418xxxxxx

- If required, install the new 100386 Index C combination sensor for the closed SKYE drip tray **up to** serial number 2418xxxxxx.

Software

Machine type: Schaerer Coffee Skye

Software version: 5.24.7

- Install software version 5.24.7 on the machine by production week 2415xxxxxx.
(Later machines will already have this software version installed at the factory).

Software version 5.24.7 has an integrated software wizard that shows an animation for wiping the area around the sensor dry after draining the drip tray.
