Action						
Information	X					

REASON

The machine configured with the 4th instant canister as standard was deleted from DEMB portfolio during the SKU's reduction project in 2014 (machine code 972804).

It's required to create a *4th instant canister* pre-arrangement for the machine CV 7200, code 972805 CV7200 FREE NL 3 CANISTER - Standard machine lay-out 972805: three instant canister -

It's also required to create the *extra canister 1.5 l KIT*, that allows to add the fourth instant canister in the field (New extra canister spare code **972864**)

MODIFICATIONS:

New CV 7200 lay-out: three instant canister with the cover (see photo below)

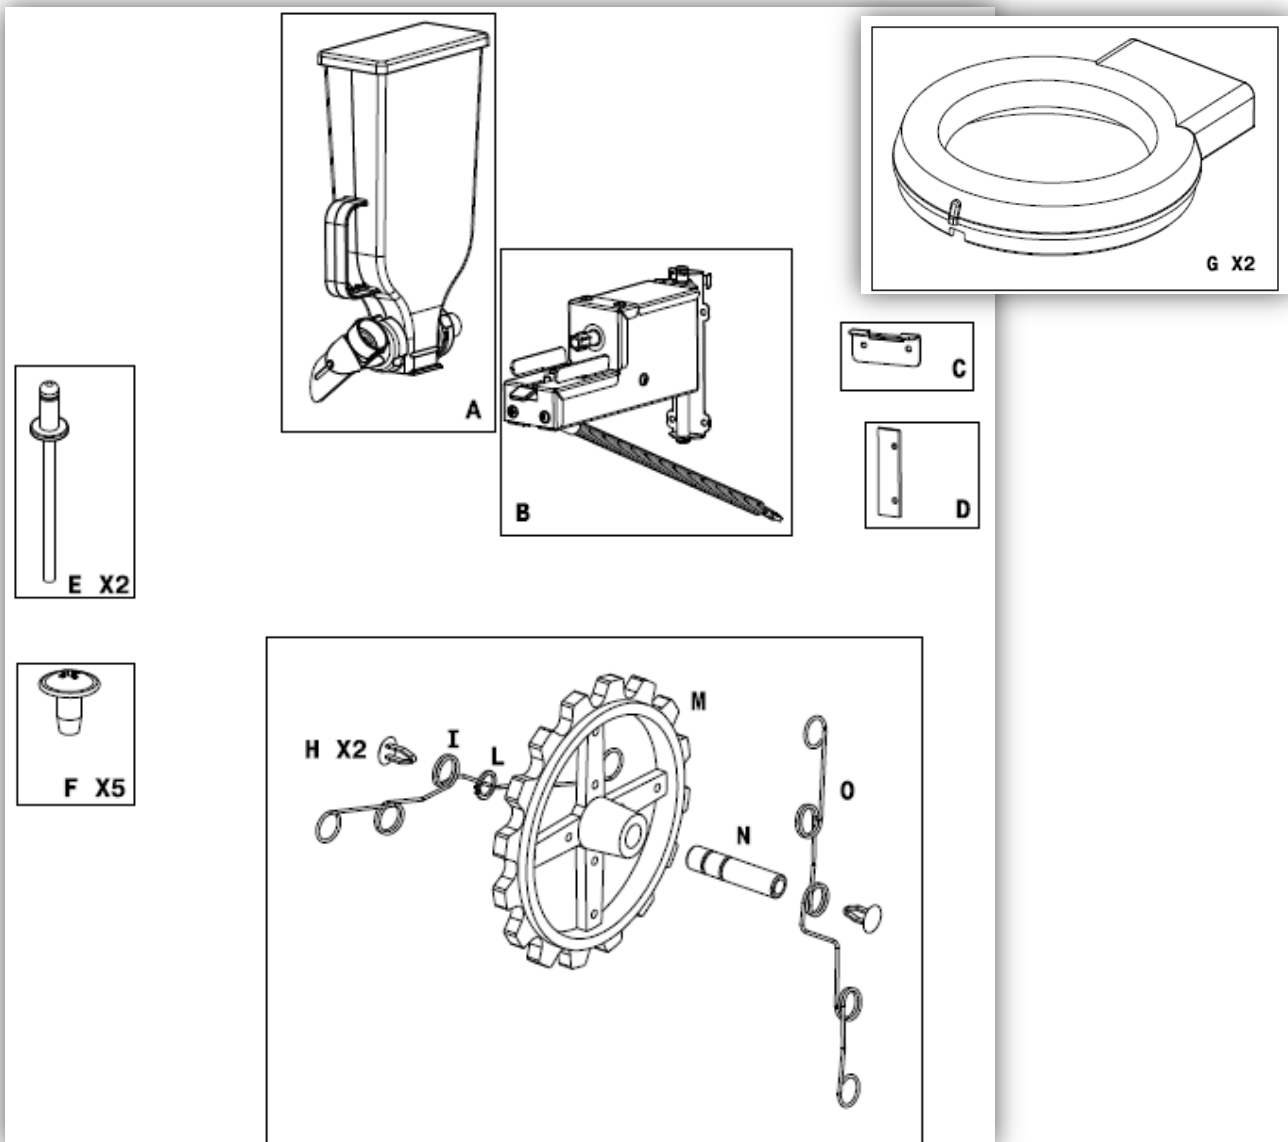

4th instant canister location **COVER**

The machine is supplied with *4th instant canister* pre-arrangement, including the lateral cover and harness positioning behind it in order to plug & play the additional IN canister
