

# Possible options inside cabinets

17-03-2021

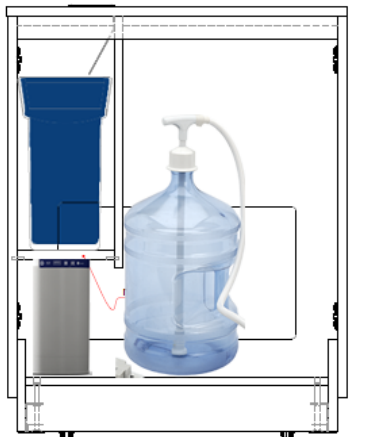

Dispenser(s): Cabinets 2021  
 Title: Possibilities for options in new cabinets

This document will show possibilities for options that fit in the new cabinets.  
 All cabinets are having standard the possibility for ground disposal. If you don't use it, the bottom plate and waste bucket can be removed for other options/space. For details contact your local technical support department.
