| From date: right away | <input type="checkbox"/> Low: FYI only | |

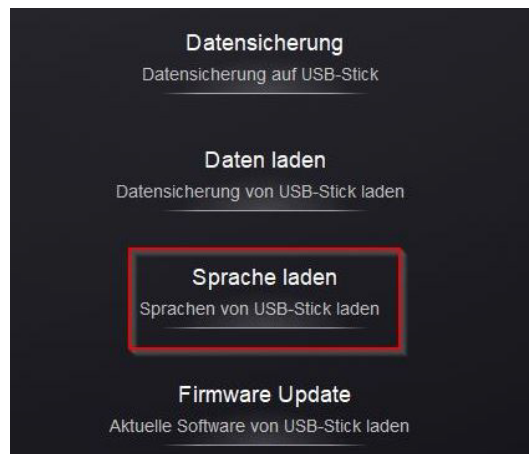

DESCRIPTION AND SOLUTION OF PROBLEM

In **software version v2.6.1**, the Schaerer logo was not shown on the display of the SCCLUB.
 We refer to our Technical Information 2024-19 (CLUB) Software V2.6.1 from 12/6/2024.
 The Schaerer logo can be loaded onto the machine with a USB stick by installing **batch file SCC_1.0.18.gz**.

| Machine | Batch file | Description | Versions |
|--|---------------|--|---------------------------------|
| Schaerer Coffee Club: all variants | SCC_1.0.18.gz | The batch file loads the beverage symbols, the red display line and the Schaerer logo. | From v2.6.1 and later versions. |
| | SCC_1.0.17.gz | The batch file loads the beverage symbols and the red display line. | From v2.2.3 to v2.4.4. |

Running batch file SCC_1.0.18.gz

- ▶ Insert the USB data carrier.
- ▶ In the USB menu, select the **Load language** function.
- ▶ Load the **SCC_1.0.18.gz** batch file onto the machine.

NOTE FOR TECHNICIANS

Problems during or after the software update

If problems occur during or after the software update:

- ▶ Please send a data backup together with an exact description of the error in an e-mail to the contact address below.
