

SERVICE MEMO

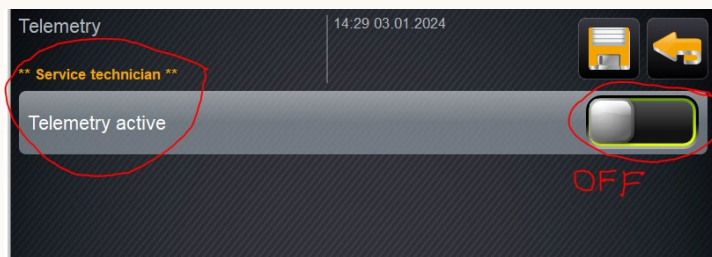

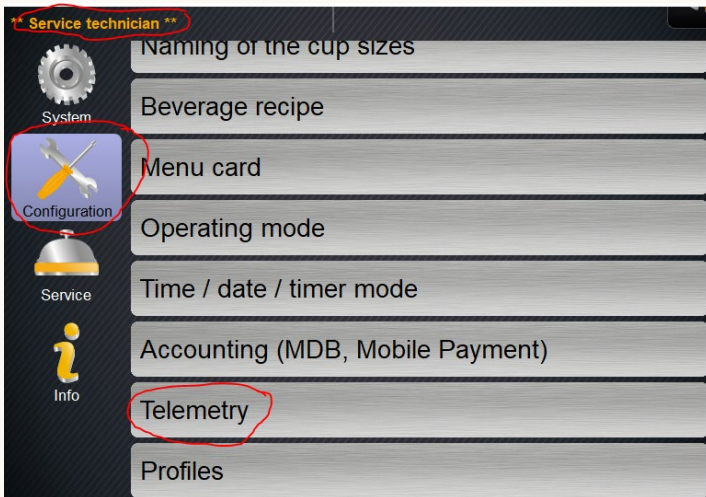

03-01-2024

Number: JDE 2024-01
Dispenser(s): SOUL 10-12
Title: SOUL 10-12 telemetry

With this service memo I would like to remind you that if you are not using connectivity you have to switch off telemetry for the SOUL 10-12.

Reason is that otherwise we have to pay for it.

Place in the menu to switch off:
