 Dispenser(s): SCS ('old model Soul')
 Title: SCS fridge replacement

With this service memo I would like to inform you that as of from now the SCS Fridge won't be available as spare part anymore.

Reason for this is that Schaerer has stopped the production of SCS (SAP numbers: 64271243 and 64271077), as a result this dedicated SCS fridge is also not available anymore.

Since we had 1 fridge for SCS with several different kits hereby an overview on how to replace it by a fridge from the SOUL 10-12, in the case of a break down.
