

# SERVICE MEMO

4-4-2025

Number: JDE 2025-01  
Dispenser(s): *Schaerer Procure*  
Title: Conductivity sensor with new software

With this service memo I would like to inform you that the conductivity sensor with SAP number 55126805 will be phased out and a new sensor with new software is available with SAP number: 55128300.

With this software the sensing of the sensor has been improved.

Old sensor (55126805) looks like this::

NEW sensor (55128300) you can recognize due to a mark on the connector (xxx700) like on the picture below:

Please change only the conductivity sensor in case of problems.  
If Procure works ok change is not needed.

## IMPORTANT:

**For stock you can order a new sensor (55128300) and send the old sensor (55126805) back to the warehouse in Venlo (Logical).**
